

A screenshot of a web browser displaying the Ambient Weather website. The browser's address bar shows the URL <https://ambientweather.net/welcome>. The website's logo, "AWN AMBIENT WEATHER NETWORK™", is in the top left corner. In the top right corner, there are two buttons: "Add Device" and "Login". The main heading is "AmbientWeather.net" in a large, bold, black font. Below the heading is the tagline "Get real-time weather where you are, with Ambient Weather." There are two primary buttons: "Create Your Account" (a light blue button with a thin border) and "Login" (a solid blue button). A large red arrow points to the "Login" button. Below the "Login" button is a link for "Terms and Conditions". At the bottom of the page, there are links for "Help Center" and "Facebook Group". The footer contains the copyright notice "© Copyright Ambient, LLC, 2023. All rights reserved." and links for "Need Help?" and "Join our Community". The Windows taskbar is visible at the bottom of the screenshot, showing the search bar, several application icons, and system tray information including the temperature (46°F) and date (1/6/2023).

Login to AWN on the website (<https://ambientweather.net/welcome>) or mobile app.

The screenshot shows the Ambient Weather Network (AWN) dashboard for 'Joe's Station, Aston'. The interface includes a navigation sidebar on the left with options like Dashboard, Devices, Alerts, Units, and Admin. The main content area features a weather map at the top, a summary table for January 5, 2023 - January 6, 2023, and a date range selector. Red arrows indicate key interactive elements: arrow 1 points to the graph icon, arrow 2 points to the menu icon, and arrow 3 points to the date range selector.
